

## Level 2 UAL Diploma in Art and Design - A089

This course is accredited by University of the Arts London (UAL). The course is designed to help you to develop competence in all areas of Art and Design practice. You will experience work in the following areas: Drawing, Communication Skills, 2D Creative Problems, 3D Creative Problems, Time-based Art and Contextual Research.

### COURSE DETAILS

The course is designed to offer a wide range of art and design experiences, developing skills and theory in the following:

- Drawing
- Painting
- Textiles
- Sculpture
- Digital Media

You will use a variety of equipment, materials and techniques and gain experience in presenting work for an exhibition. In the first term you will have an introduction into all the above areas of art and design, followed by two specialist option projects in the second term, where you will choose to focus upon two of the areas listed above. During the third term you will carry out your final major project in the area of your choice, using the skills you have developed throughout the programme. The full award consists of eight units.
