Comments, compliments and complaints procedure

This procedure tells you:

- **how to provide constructive feedback, to help us improve our services**
- **how to tell us if you think we are doing well**
- **how to complain if things go wrong**

At Wirral Met College we are committed to providing a high standard of service. This Policy and Procedure aims to support students, potential students, former students, employers, stakeholders and the general public in communicating with us by telling us when we do things well and when we don't do things as well as you would like. By letting us know, we can use your experience to improve our service. We want to learn from your experiences and if you compliment us on doing something well we can ensure that good practice is shared. If you are not happy about our service, or have suggestions on ways we could improve things, we also welcome your feedback.

This procedure will be applied consistently and fairly regardless of age, disability, gender identity, race, religion or belief, sex, sexual orientation, pregnancy and maternity, status and marriage or civil partnership status in respect of unlawful discrimination.

What if I want to compliment something at College?

You can write to the Principal to briefly outline why you are so pleased. The Principal will ensure that the staff and teams involved are informed and we will use your feedback to share and inform this good practice in other areas. If you want to acknowledge the service or support of a particular member of staff, you can also nominate them for a Student Experience STAR Award. This is an annual awards scheme, run by our Students' Union. For more information on this please contact the Students' Union at student.union@wmc.ac.uk

What should I do if I am not happy about something at College?

If your complaint involves discrimination or harassment of any kind, you should ensure that the incident is reported immediately to a member of staff. If you are unsure who to contact, please contact Student Services at Reception, call 0151 551 7777, or email the Quality team at complaints@wmc.ac.uk

Please note that we will not investigate anonymous complaints and we require any complaint to be raised within 4 weeks of the issue occurring.

Who can help me with the complaints process?

Our Quality team can assist you with any aspect of your complaint. Students can also seek assistance from the Students' Union. If you wish someone else (a carer, advocate or parent) to make a complaint on your behalf, we will need your permission to investigate the points raised.

How can I try and resolve my complaint quickly?

Stage 1 - Informal process

If you are unhappy about any aspect of our service, we will try to resolve your dissatisfaction quickly and informally. In the first instance, please raise your issue with the most appropriate member of staff. This is likely to be the subject teacher/assessor, personal tutor, College manager, or a member of staff in Student Services, Employer Services or the Students' Union. If you need help signposting you to the relevant member of staff, please contact the Quality Team.

Complaints resolved informally at Stage 1 of the process are recorded in the department's informal complaints log with documentation retained for two years.

However, informal complaints which remain unresolved after 10 working days must be referred to the Quality Team by the relevant College manager who will record/ acknowledge receipt in line with Stage 2 of the formal process.

How do I make a formal complaint?

Stage 2 - Formal process

If you have been unable to resolve your issue at Stage 1, please email complaints@wmc.ac.uk or contact the Quality Team who will explain how you can progress your complaint to the formal Stage 2 process. All complaints will be treated in strict confidence. However, you should be aware that it will be necessary to investigate your complaint fully and this may involve speaking to any people involved. At each stage in the complaints procedure, you will be advised of what you are required to do. The Quality Team will nominate an appropriate member of the management team to investigate your complaint.

Your complaint will be acknowledged within 2 working days and normally, we would expect to investigate it and provide you with a full written response, within 10 working days. If the circumstances require a longer period to fully investigate your complaint, we will write and inform you.

On completion of the investigation the investigating manager may:

- Propose and amicable resolution
- Uphold or partially uphold the complaint, offering an apology and providing details of what has been done to address/resolve the complaint
- Dismiss the complaint as unfounded and provide reasons

What if I am not happy with the outcome of my formal complaint?

Stage 3 - Appeal process

If you are dissatisfied with the outcome of our investigation, you have 5 working days to submit an appeal. In these circumstances you must formally confirm to the Quality team which aspects of the Stage 2 outcome you wish to appeal. The grounds of your appeal will then be reviewed by a member of the Senior Leadership Team who has not been involved in Stage 2 of the process.

Their decision is the final stage of the internal process and you will be informed of the outcome, in writing, within 10 working days, in normal circumstances. If the circumstances require a longer period to fully consider your appeal, we will write and inform you.

FE Students - If following the Stage 3 – Appeal Process you remain dissatisfied with the outcome, you may want to pursue the matter externally by contacting The Education and Skills Funding Agency

Higher Education students - If following the Stage 3 – Appeal Process you remain dissatisfied with the outcome you may want to pursue the matter externally by contacting the Office of the Independent Adjudicator or the relevant validating awarding body. You will be issued with a completion of procedures letter from the HE Administrator.
